Teachers - Additional Information**

PLUS HOURS ON SALARY SCHEDULE Hours are to be graduate hours if they pertain to the BA + 15 Sem. Hours; BA + 30 Sem. Hours or BA+45 unless written approval is granted by the Superintendent of Schools prior to enrollment in a particular undergraduate course. These hours need not necessarily be graduate hours if they pertain to the MA+15 Sem. Hours, MA+30 Sem. Hours, MA+45 Sem. Hours or MA+60 Sem Hours. All plus hours for BA and MA must be earned after the date the BA or MA degree and a provisional or professional license has been granted. We will give credit for the hours past the MA if they were education credits and the degree was not in education.

Horizontal movement on the schedule will be allowed September 1st and the first day of the second semester.

A formal letter to the superintendent requesting the move and salary adjustment must be submitted. At this time, the teacher's file will be reviewed. If the move is approved, a contract addendum reflecting the adjustment will be sent to the teacher and a copy attached to the original teaching contract.

Evidence of completed work (official transcript copies) must be on file in the staff member's personnel file. For classes taken for which no official transcript is available, a letter from the college or professor indicating successful completion of the course, as well as all information about the course - number, hours, etc. must be submitted. **Salary adjustment will be made contingent upon receipt of an official transcript.**

If a teacher leaves the district and is rehired, all previous years of experience in district will be considered in evaluation of step placement.

**PROFESSIONAL STAFF REQUIRED TRAINING

All certificated/licensed staff are directed to take such continuing education classes or course work as may be required from time to time by the administration and approved by the Board of Education. Such classes or course work shall be reasonably related to the assigned work of certificated/licensed staff members.

Evaluators and immediate supervisors shall include such classes or course work in all improvement or professional growth plans and in all professional development plans for the recertification or relicensing of certified staff members.

Montezuma-Cortez School District RE-1
STUDENT CLUB SPONSOR STIPENDS

The Montezuma-Cortez School District RE-1's Student Club Stipend amounts are based upon the number of students involved, overall student contact hours and the club's level of community involvement. Sponsors will work with their principals to develop a schedule, plan for their club and determine if stipend funding is available.

Clubs must have a minimum of eight (8) students, elect officers, have regular meetings and log at minimum (20) twenty student contact hours which are documented through activity logs and sign in sheets. Stipends are paid per club/organization. In the instance that more than one sponsor share responsibilities, the total payment will be divided equally between those sharing the position.

Sponsors must complete an activity log and end of year report by June 1st of each school year delivered to the Board of Education.
